### **Art Integrated project**

Art-integration is a cross-curricular pedagogical approach that utilizes various aspects and forms of art and culture as the basis for learning of concepts across subjects. As a part of the thrust on experiential learning, art-integrated education will be embedded in classroom transactions not only for creating joyful classrooms, but also for imbibing the Indian ethos through integration of Indian art and culture in the teaching and learning process at every level. This art- integrated approach will strengthen the linkages between education and culture.”

Under this project \*Ek Bharat Shrestha Bharat\* Programme of Government

of India has paired State/UT, for Rajasthan is Nagaland.

Groups have been already allotted to the students. Do a comparative study
