

## Holiday Homework (2026-27)

### XII Humanities

#### English core (301)

##### Instructions: -

Each student is supposed to choose any one out of the below mentioned topics and present them in the form of a project. The project should be a highly presentable one having 20 to 25 sheets with proper information along with pictures.

1. Child labour is a blot upon Indian society. There are number of children forced to work in order to earn livelihood and support their parents rather than going to school and enjoying their childhood. It is the responsibility of each adult member of the society to help our children come out of these clutches of child labour. (Lost Spring)
2. Linguistic chauvinism and cultural domination has been a common feature of human history and number of communities has faced it. Only those people who have resisted it have been successful in saving their identity. (Last Lesson)
3. Modern life is full of worries and stress. As a result, there is a very common tendency of escapism. A tendency to avoid the present along with its realities and either live in the past with no problems or live in some utopian world where there is no struggle. This kind of defence mechanism of brain can be a tool of stress management but if too much in use, can have devastating impact upon personality. (Third Level)
4. Increasing rivalries and a blind race for victory amongst different countries of the world is increasing day by day. It can be on different platforms weather military or economic front. Instead of all this, there is an undercurrent of kindness flowing in the hearts of all human beings which makes this world worth living. (The Enemy)
5. In Deep Water Douglas recounts a childhood experience of terror. He also describes his determination of conquering that terror. His experience can serve a useful lesson for others to succeed even in the most hostile circumstances. (Deep Water)
6. How would you describe the behavior of the Maharaja's minions towards him? Do you find them truly sincere towards him or are they driven by fear when they obey him? Do we find a similarity in today's political order? (The Tiger King)
7. The actual pain or inconvenience caused by a physical impairment is often much less than the sense of alienation felt by the person with disabilities. Hence Inclusive Education is a step to bring the people with deformities into the mainstream to build up their confidence and morale. What do you think on the Inclusive Education.

**Note – Other than the above-mentioned topics any other topic from the syllabus can also be chosen.**

## Economics (030)
